

RECIPROCAL CLUBS

A member who wishes to visit any of the clubs listed below as a guest may request a card of introduction from the Fortnightly Office and can then make arrangements directly with the club. Each member is responsible for all expenses incurred. Since each club has its own billing procedures, please inquire when making your arrangements. Overnight accommodations are available at most of the reciprocal clubs. Those that do not have overnight accommodations offer favorable rates with nearby hotels. Summer closures vary; please contact the club for specific information.
